

DAQICONCEPT WHISPER

CP01 - WH

User Manual

USER MANUAL
EN – ENGLISH

- Use a 1-port 5V1A/2A USB adaptor.
- DAQICONCEPT WHISPER must only be installed and operated in dry, indoor spaces. Do not install DAQICONCEPT WHISPER in locations with high levels of humidity, e.g. in the bathroom.
- Never touch the plug and cable with wet hands due to the risk of electrical shock.
- Do not expose DAQICONCEPT WHISPER to extreme temperatures, direct sunlight, moisture, strong vibration or high mechanical stress. The safe operating temperature ranges between 50F/10° C and 95F/35° C.
- DAQICONCEPT WHISPER is made of solid material. Ensure that the device is positioned securely to prevent injury or damage to surfaces and objects from a fall. Do not drop DAQICONCEPT WHISPER on the floor, hit it hard or expose it to other heavy shocks.
- This device is not intended to be used by persons (including children) with restricted physical, sensory or mental abilities or lacking experience and/or knowledge, unless they are supervised by a person responsible for their safety or have received instructions on how to use the device by that person.
- This is not a toy. Children should be supervised to ensure they do not play with DAQICONCEPT WHISPER.
- Do not look directly at lighted bird belly.
- Do not cover DAQICONCEPT WHISPER with cloth or plastic bag to avoid overheating damage.
